Currently DDS occupies mobile trailers on Georgia Building Authority property at 445 Capitol Avenue. The Atlanta location is one of the busiest in the State handling approximately 1,000 transactions per day. The property on Whitehall Street is less than 1 mile from the Capitol, contains a 26,000 square foot brick building in very good shape, is completely gated, and has 131 parking spaces. The property should allow for driving tests which were not possible at the current location. The letter of intent included in the members' board package reflects the desire to purchase the property for $2.3 million subject to appropriation. The State's appraised value is $2.5 million. SPC and GDOT have agreed in principal on a $1.5 million purchase price subject to appropriation. The State's appraised value is $2.7 million. Because of the reduced purchase price, GDOT requires a reversion of the property should the State cease to use the property. DOC will pay the appraised lease rate of $14 per square foot during the lease term.
