2019 PORTFOLIO REPORT

### **ABOUT THE COMMISSION**

The State Properties Commission (SPC) was created in 1964, under Governor Carl Sanders, to aid the State of Georgia with acquiring and disposing of State-owned real property and real property interests.

With the creation of the State Property Officer under Governor Sonny Perdue, as well as legislation through the 2005 Georgia General Assembly that realigned the management of the State's capital assets, the State Properties Commission was designated as Georgia's real estate portfolio manager. As such, the Commission's primary focus is to provide accountability in the stewardship of the State's Real Property Assets for the citizens of Georgia.

Since 2005, SPC is in charge of increasing the utilization and efficiency of workplace environments, executing lease and land transactions on behalf of State agencies, and maximizing the value of the State's assets.

#### **Vision**

To be the national leader in State real estate portfolio management by exemplifying stewardship, accountability and integrity.

#### **Mission**

To advise, guide and maximize Georgia's real estate portfolio by applying industry best practices in asset, space and transaction management.

#### **Values**

Stewardship • Accountability • Integrity • Leadership

### **LEADERSHIP**

#### **Board Members**

**Governor Brian Kemp** Board Chairman

**Alan Skelton**State Accounting Officer, Board Vice Chairman

**Brad Raffensperger**Secretary of State, Board Secretary

**Lynne Riley**State Treasurer, Board Member

S. Michael Howell

Citizen Member appointed by Speaker of the House

**Karl Lutjens** 

Citizen Member appointed by Lieutenant Governor

**Phil Carlock** 

Citizen Member appointed by the Governor

#### **State Properties Commission**

**Marty Smith** 

State Property Officer Executive Director, SPC

**Gerald Pilgrim** 

Chief of Staff

**Lisa Sharpton**

2019 LEADERSHIP 3

### YEAR IN REVIEW

Marty Smith
State Property Officer
Executive Director,
State Properties Commission

As the State's real estate portfolio manager, our charge is to find ways to derive the most value out of our assets. In Fiscal Year 2019, the State Properties Commission planted the foundation for investments decades into the future.

The Commission successfully negotiated a new agreement with CSX Corporation authorizing their continued use of the Western & Atlantic Railroad, valued at \$1.2 billion over a 50-year lease period, starting January 1, 2020. Railroads are a major part of Georgia's freight infrastructure, and the Port of Savannah and the Hartsfield-Jackson Atlanta International Airport both depend on Georgia's railroads to ship goods into the interior of the country. CSX's operation of the Western & Atlantic Railroad generate \$1.1 billion in public benefits and supports approximately 1,800 jobs yearly. We were also proud to have supported the efforts to revitalize the area where Atlanta was born as the terminus of the Western & Atlantic railroad line. The Commission successfully marketed and sold a 9.3-acre tract in Atlanta's Gulch area to developer CIM Group, which is strategically important to the \$5 billion Centennial Yards project.

Our continuous improvement means agencies can rest assured that the Commission is prepared to support their growth through unmatched expertise and customer service. The Governor's and the Legislature's support of multi-year contracting allows the agencies to receive the best market rental rates – in fact, the State avoided over \$54 million in costs during this fiscal year.

Recent hurricane activity has had a devasting effect on Georgia's prized beaches; in order to protect and prevent future damage to coastal structure, the Commission granted mineral leases at both Sea Island and Tybee Island for beach nourishments. Beach nourishment replaces sand that is lost through erosion. By creating a wider beach with new sand, it becomes possible to prevent future damage to coastal structures. The new sand interacts with the waves in the surf zone to reduce the impact of very high tides and storm surges.

Through Governor Kemp's strong leadership, we are leading our industry through innovation and will continue to make significant strides to support Georgia's growth for years to come.

**Frank Smith**Deputy Executive Director,
State Properties Commission

# PORTFOLIO SUMMARY

**Overview** 

**Highlights** 

Revenue

**Assets by County** 

**2019 PORTFOLIO SUMMARY** 

### **OVERVIEW**

The State Properties Commission is organized in four distinct divisions: Space Management, Asset Management, Land, and Leasing.

#### **Space Management Division**

Space Management maximizes the utilization of space to create efficient work environments. SPC has developed space standards based on industry and public sector criteria to accomplish the following objectives:

- Increase occupancy
- · Decrease vacancy
- Improve the value of State owned and leased space
- Provide the most cost-efficient work space for State entities

#### **Asset Management Division**

The strategic function that manages the State's real estate assets to provide the maximum value to the State. The Asset Management Division (AM) is responsible for collaborating with agencies to develop 4-year real property plans based on staff projections, budget, existing locations and operational plans. Additionally, AM maintains the State's real property database (BLLIP); provides project management on select SPC deals and evaluates space utilization of leased and owned space.

#### **Land Division**

All acquisitions or dispositions of the State's real property must come through SPC. The Commission assures that all acquisitions and dispositions of land in the State's name meet the legal, policy, and process requirements of the State. Properties owned by the Board of Regents are excluded. Acquisitions into the State include fee simple interests, conservation easements, access and other easements, and ground leases. Dispositions from the State include temporary revocable licenses, permanent easements, short or long-term ground leases and fee simple conveyances.

#### **Leasing Division**

SPC offers an array of leasing services to State entities in commercial or state-owned leased space. Services range from locating and procuring new lease locations to renewing or renegotiating existing agreements, as well as managing the State's lease inventory. The Division's responsibilities and functions include leasing assistance to State entities in both State and commercially owned facilities.

# **2019 HIGHLIGHTS**

#### **14,802** Total Buildings in the portfolio

10,037 State of Georgia

3,487 Board of Regents

1,095 Georgia Department of Transportation

183 Community Service Boards

#### 2,277 Total Leases in the portfolio

1,189 SPC Managed

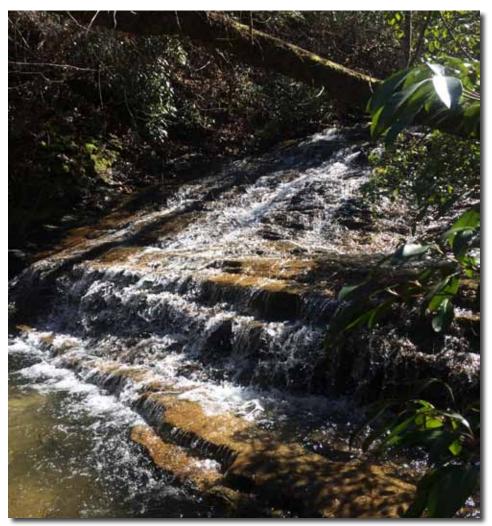

709 Agency Managed

379 Board of Regents Managed

830,320
Total State owned and leased acres of land

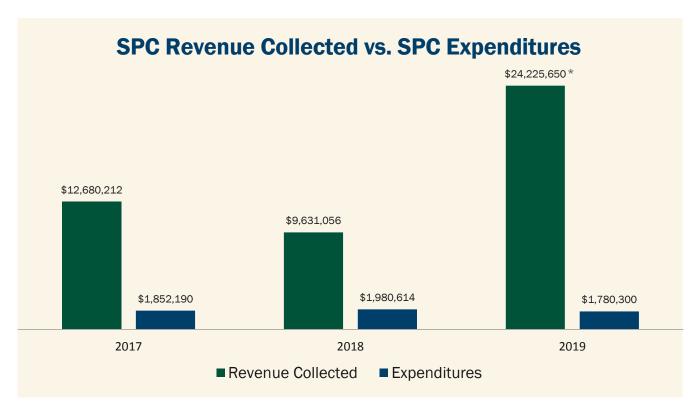

\$36,696,547,714

**Highlights** 

**Primary Use Type Requests** 

**Space Action Request Types** 

**Space Standards for Administrative Office Space** 

Comparison of Georgia's Space Standards to Public & Private Sector

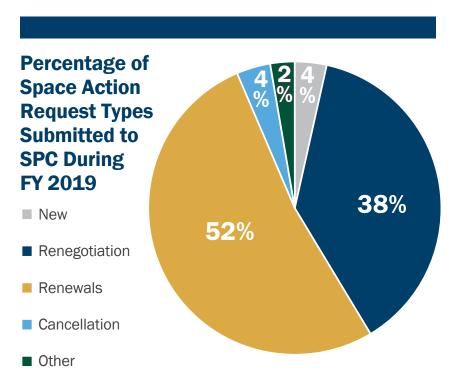

### **2019 HIGHLIGHTS**

SPC's Space Management Division offers a full range of professional space planning services to State entities in meeting their space needs.

For those State entities submitting requests for administrative space, Space Management not only develops space utilization programs to determine square footage requirements, but also prepares schematic floor plans and design intent drawings that can steer workspace layout and construction.

In FY 2019, the SPC Commission received 936 space requests from state agencies. The use and transaction types of space requested are illustrated in the two charts below.

	USE TYPE	PERCENTAGE			
Percentage by Primary Use Type Requests Submitted to SPC During FY 2019	Administrative/Office Classroom/Faculty Off Classroom/Training Ro Towers Warehouse/Storage Other Uses	2,0			
Received and processed 936 space action requests from State agencies

2019 LEASE PORTFOLIO 19

### **2019 HIGHLIGHTS**

The leasing of administrative space for use by State entities is also within the purview of SPC. The Leasing Division provides management and oversight of the State's leased property portfolio, as well as leasing assistance to State entities in both State and commercially owned facilities.

### **MULTI-YEAR LEASES**

Since the ratification of the Constitutional Amendment in November 2012, which authorized SPC to enter in Multi-Year Leases (MYLs), SPC and the Georgia State Financing and Investment Commission (GSFIC) work together to safeguard Georgia's AAA credit rating. For FY 2019, GSFIC set a total MYL contract obligation limit of \$215 million.

In FY 2019, SPC executed 16 multi-year leases that together, totaled 563,035 rentable square feet.

SPC's total contract obligation is \$161,664,159, and the agency has avoided \$53,689,780 in costs.

# Department of Human Services Division of Child Support Services and Aging Services

**Consolidation and Co-location** 

# **Consolidation and Co-location with No Additional Operating Expense Pass Throughs**

#### **The Opportunity**

For over a decade, Child Support Services and Aging Services have occupied multiple separate administrative offices and training spaces. Co-locating these divisions will maximize space utilization while addressing the needs for additional operational space and staff growth. Through SPC's competitive RFP process, Valdosta Mall presented a cost effective option that satisfies the requirement from both an economic and size perspective. This former Sears box store will be converted into office space.

#### **The Process**

Due to the lack of available office product in the city of Valdosta, the only other proposals received were either too small, or required new construction, which resulted in unfavorable (over budget) economics. The decision to relocate to Valdosta Mall was in part due to the convenient and well-known location, as well as the proposed renovation of former Sears box into brand new office space. This newly converted space will allow the agency to proactively plan its space configuration. This results in increased efficiencies, lower costs, and greater product quality. The result of this proposed lease will be a fully functional, modern office space for the two divisions, allowing them to share common areas, whilst maintaining autonomy from one another in client-facing capacities.

Lease #8376

# Department of Human Services Division of Child Support Services and Aging Services

**Consolidation and Co-location** 

#### **Financial Details**

The lease will have a flat rate structure of \$22.66 per rsf with 1.65% annual escalations.

The general terms and conditions are highlighted below:

- Approximately 15,678 rsf
- Fifteen (15) year lease term
- \$22.66/per rsf modified gross rental rate, with 1.65% annual escalations
- No additional operating expense pass throughs
- Turnkey renovations and base building improvements valued at over \$1.1 million

The terms outlined above represent a below market deal while still including over an estimated \$1,100,000 in additional Tenant Improvements to upfit the space to the agency standards for a turnkey buildout.

The current full service retail market rate, including tenant improvement allowance, in Valdosta is \$24.38 per rsf. The cost savings and cost avoidance are detailed below:

Savings in DHS - CSS & AS Rental Rate vs. Market Rental Rate/RSF **\$1.72** 

Total Cost Avoidance: DHS - CSS & Aging vs. Market (\$22.66/RSF vs. \$24.38 RSF) **\$583,990.49** 

\* a 3% annual market escalation

Estimated Value of Turnkey Improvements (@ \$75.00/RSF)

\$1,100,000

\*Turnkey buildout (inclusive of base building improvements and TI)

# Technical College System of Georgia Lease Renewal

#### **The Opportunity & Process**

TCSG has occupied approximately 87,849 rsf of office space located at 1800 Century Place, NE, Atlanta, Georgia 30345 since 2004 under a multiyear lease between the landlord and Georgia Building Authority (GBA). TCSG wishes to continue their tenancy as the location serves them well and the property is well maintained. TSCG has requested SPC enter into a new lease on their behalf which would allow for improvements to the premises, including an expansion of 4,791 rsf in order for TCSG to occupy the entire building. Entering into a twelve-and-a-half-year lease will enable the landlord to complete all necessary tenant improvements to update and expand the premises.

# Technical College System of Georgia Lease Renewal

#### **Financial Details**

The lease will have a rate structure of \$19.06 per rsf with an annual average escalation of 3.0%.

The general terms and conditions proposed by Clairmont Place Partners, LLC are highlighted below:

- At lease commencement, tenant shall occupy approximately 87,849 rsf
- Premises will expand to include an additional 4,791 rsf beginning July 1, 2020 or when the landlord obtains a Certificate of Occupancy.
- Twelve and a half (12.5) year lease term
- \$19.06 per rsf full service rental rate with 3% escalation of the base rate for fiscal year 2020.
- Upon Commencement of the expansion space which is anticipated July 1, 2020, tenant will pay \$21.10 per rsf full service with two (2%) percent annual escalations over the remaining term.
- Tenant will only pay for actual increases in taxes and insurance over a 2019 base year capped at 105% over the previous year.
- Landlord to provide and pay for painting, new flooring and moving expenses associated therewith.
- Tenant improvement allowance of \$35.00 per rsf on the additional 4,791 rsf area

The current full service office market rate, including tenant improvement allowance, in North DeKalb is \$30.00 per rsf. The cost savings and cost avoidance are detailed below:

Year 1 Per RSF Savings in DHS DFCS Full Service Rental Rate vs. Market Full Service Rental Rate (\$29.79/ RSF vs. \$30.89/RSF) **\$10.94**<sup>1</sup>

Total Lease Term Cost Avoidance: DHS DFCS Full Service Rental Rate vs. Market Full Service Rental Rate (\$29.79/RSF vs. \$30.89/RSF) \$12,402,885<sup>2,3</sup>

#### Notes:

- <sup>1</sup> Savings shown for the first year of the lease.
- <sup>2</sup> Cost avoidance shown is for the difference between the \$30.00 current market rent, with 3% annual increases, and the rent under proposed lease over a term of 12.5 years.
- <sup>3</sup> A 3% annual increase applied to the current market rent as a commonly accepted industry standard.

2019 LEASE PORTFOLIO 27

#### **Department of Revenue - Alcohol and Tobacco Unit**

**Expansion and Lease Negotiation** 

# **Expansion with Concessions and Tenant Improvements**

#### The Opportunity

DOR currently occupies 5,094 rsf of office space at 1105-D West Broad Avenue in Albany, GA. DOR needs to expand their office space to accommodate increased employee headcount and customer foot traffic, to expand the Alcohol and Tobacco unit and to add a regional training facility. The current landlord cannot provide expansion space for the agency. In January, 2018, SPC advertised a Request for Proposal (RFP) to relocate DOR. Three (3) proposals were received, and the selection committee visited the properties in February, 2018. In April, 2018, the selection committee selected Indusa Beverage, Inc. as the apparent awardee.

#### **The Process**

Due to the nature of the Albany market, most existing office spaces in the market are in old buildings that have not been renovated to modern standards. The Indusa Beverage, Inc. building is already slated for conversion to office, and the Landlord has already underwritten the majority of the shell conversion as part of its redevelopment plan for the property. Other existing product in the market would require significantly more improvement to meet minimum shell requirements for the State. The result of this proposed lease will be a fully functional, modern office space for the agency in a well located building that is easily accessed by constituents and agency personnel.

### **Department of Revenue - Alcohol and Tobacco Unit**

#### **Expansion and Lease Negotiation**

#### **Financial Details**

The lease will have a flat rate structure of \$20.75 per rsf with no annual increase.

The general terms and conditions of the Indusa Beverage Inc. proposal are highlighted below:

- Approximately 11,805 rsf
- Ten (10) year lease term
- \$20.75 per rsf modified gross (net of janitorial services) rental rate with no annual increase
- Landlord is providing base building improvements of \$221,510.00 (\$18.76/SF) and TI valued at \$818,849.00 (\$69.36/SF)

The terms outlined above represent a below market deal while still including an estimated \$405,000.00 in additional TI to upfit the space to agency standards for the turnkey buildout.

The current modified gross market rate for office space in Albany is \$22.70 based on an estimated \$35.00 per RSF market Tenant Improvement package. The cost savings and cost avoidance of the DOR deal versus the current market are detailed below:

Savings in DOR Rental Rate vs. Market Rate Rental/RSF **\$1.95 / RSF** 

Total Cost Avoidance: DOR vs Market (\$20.75 /RSF vs. \*\$22.70 /RSF) **\$230,175.69** 

\*Rate is based on the average rental rate of a ten year term with a 3% annual market escalation

Estimated Value of Tenant Improvements **\$1,040,359.00** 

\*Turnkey buildout (inclusive of base building improvements and TI)

# **SPOTLIGHT: CSX LEASE**

32 2019 SPOTLIGHT

### THE WESTERN & ATLANTIC RAILROAD

At approximately 1,550 acres and 137.33 miles, the Western & Atlantic Railroad was completed in 1850 and runs through several counties in Georgia and even enters Hamilton County, Tennessee. The Southeastern Terminus of the Western & Atlantic Railroad (W&A) later led to the creation of Atlanta. Since then, the W&A has been a tremendous aid to the economic growth of the State and its position as the hub of the South.

With authorization and support of the Georgia General Assembly through Act 71 (Senate Resolution 228) in 2017, the State Properties Commission negotiated with CSX Corporation (CSX), a new lease agreement permitting their continued use of the W&A. The original lease executed in 1969 and later amended in 1986 will be replaced with a new lease for 50 years beginning January 1, 2020.

CSX's operation of the W&A generates an additional \$1.1 billion (NPV) in public benefits and supports approximately

1,800 jobs yearly. Operation of the line also diverts 362,053 cargo trucks off Georgia's interstates yearly—which equates to almost 1,000 cargo trucks daily.

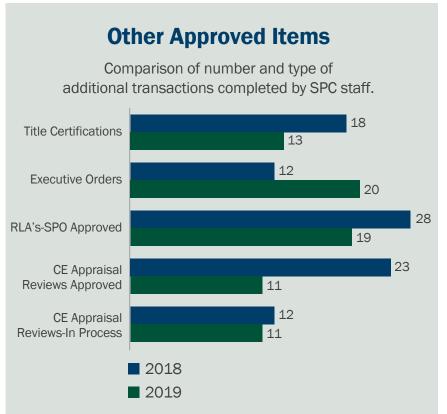

The value of the lease payments to the State of Georgia total approximately \$1.2 billion over a 50-year lease period. This is an increase of \$509 million over the current lease agreement.

In addition to monetary consideration, CSX will also convey a 50-year lease to the Georgia Department of Transportation, allowing GDOT to ensure existing fiber lines running from the Traffic Management Center to Highway 75/85 and I-20 remain undisturbed. "The successful renegotiation of this long-term lease represents multiple benefits for the residents of Georgia," said Carol Comer, Director of the Division of Intermodal for the Georgia Department of Transportation (GDOT). "In addition to the long-term positive fiscal impact this lease brings, it also allows us to extend our fiber optic cable network, helping the Department to better manage our transportation network overall."

For most Georgians, the most exciting benefit of the new lease is the conveyance of 2.3 miles of unused rail to extend the Silver Comet Trail. The Silver Comet Trail is a 61-mile-long (non-motorized) trail in northwest Metro Atlanta. "This acquisition will allow for growth of the Silver Comet Trail and will offer new opportunities for recreation in Georgia," said Mark Williams, Commissioner of the Georgia Department of Natural Resources. "Runners, cyclists, and outdoor enthusiasts of all kinds will now have more access to our State's natural beauty and one of-a-kind attractions that make Georgia the best place in the country for outdoor recreation."
