22 WHEREAS:

- 23 (1) The State of Georgia is the owner of certain real property located in Baldwin County,
 24 Georgia; and
 25 (2) Said property being approximately 2,134 acres of State property inventoried as of
 26 February 3, 2014 and on file in the offices of the State Properties Commission as Real
 27 Property Record 5171, known as the Central State Hospital campus (CSH Campus),
 28 founded in the mid-1800's when Milledgeville was the State Capitol, and to comply with
 29 the United States Supreme Court's 1999 Olmstead decision regarding the Americans with

30 Disabilities Act, in 1999 Central State Hospital began moving its consumers to
31 community-based services leading to significant vacancies in CSH Campus buildings;
32 and

33 (3) Approximately 1,862 acres of certain improved and unimproved parcels, being a
34 portion of the CSH Campus, in the custody of the Georgia Department of Behavioral
35 Health and Developmental Disabilities and the Georgia Department of Corrections, were

50 Department of Behavioral Health and Developmental Disabilities, the State Properties
51 Commission staff believes the surplus property has a negative value to the State of
52 Georgia; and

53 (8) The Central State Hospital Local Redevelopment Authority ("Authority") is a
54 State-Chartered Authority which can issue its own revenue bonds and which has as its
55 mission to convert land and/or buildings of the CSH Campus to economic commercial
56 or industrial uses, or education, transportation or recreation uses; and

57 (9) The Authority desires to acquire the approximately 1,966 acres of improved and
58 unimproved real property in order to carry out its mission, in accordance with a master
59 plan to provide increased economic benefit to the State and said conveyance shall be "as
60 is, where is, and with all faults"; and for such further terms and conditions as determined
61 by the State Properties Commission to be in the best interest of the State of Georgia; and
